- US Healthcare Recruiter · Recruitment Agencies

Nov 2022 — Mar 2025 (1.4 years)

 - Managed end-to-end recruitment pipelines for critical nursing and allied healthcare roles.
 - Polished advanced corporate communication, client negotiation, and relationship management.

PROJECTS

CRM System

React · Django · PostgreSQL

Custom enterprise CRM tailored with lead pipelines, communication logs, and automated event workflows.

AI-Powered Tools

Next.js · Python · OpenAI API

Content generator and intelligent analytical platform matching large language models with modern Next.js UI elements.

Crysta IVF Backend

Django DRF · PostgreSQL

Complex logic layers handling patient clinical sheets, booking constraints, scales, and integrated billing metrics.

Portfolio Website

Next.js · TypeScript · Framer Motion

A premium, smooth-animated web experience implementing sleek micro-interactions and grid mechanics.
